Our File No. 05-004

Dear Mr. Bauso:

Undersigned counsel represents Glasswall, LLC ("Glasswall") regarding the above-captioned matter. This will acknowledge receipt of your letter dated August 12, 2013 requesting that a conference be scheduled to discuss Glasswall's compliance with the above-referenced agreement. This will confirm that representatives of Glasswall, Monadnock and The Related Companies met on August 13, 2013 in Miami and discussed the project. This will confirm that Glasswall intends to comply with the agreement and is proceeding with production of the window assemblies forthwith. Completed window assemblies will be ready to ship to the project on September 1, 2013.

As was discussed at the meeting, Glasswall's production has been significantly delayed by a series of circumstances partially outside of Glasswall's control (*i.e.*: choice of

glass color, design details and performance testing.) Now that the delays have apparently been remedied, Glasswall will expedite production and delivery of the completed window assemblies forthwith such that Glasswall can comply with its contractual obligations with Monadnock.

Based on the meeting in Miami earlier this week, Glasswall does not believe that the meeting referenced in your letter is necessary or warranted.

Should you have any questions or comments concerning the foregoing, please do not hesitate to contact me.

Very truly yours,

CLINTON D. FLAGG
